AI/ML Integration <div></div> Google Gemini, OpenAI	Database Management <div></div> MongoDB, MySQL, Firebase

Soft Skills

Communication	Self-Motivated
Time Management	Problem - Solving
Flexibility	Dedication
Collaboration	Resilience

Summary

I am a third-year Bachelor of Science in Information Technology (BSIT) student eager to apply the knowledge and skills I have gained in the classroom to real-world experiences through an internship. My goal is to learn from professionals, enhance my technical abilities, and contribute to meaningful projects. I am passionate about technology, problem-solving, and continuous learning, and I am excited to grow both personally and professionally in a hands-on work environment.

Experience
